85/18 Matters Arising from Parish Meeting

Housing & Demography – Cllrs. Rendell, Clarke and Richards had met and they proposed that ACT be approached to give their thoughts to the Council. It was agreed to invite Fran Richardson of ACT to the September meeting.

86/18 Ongoing Items

- Old railway line footpath: The footpath had recently been completed and thanks were expressed to Cllr. Capstick for his efforts in arranging this. The Clerk was authorised to make payment to CHB Surfacing Ltd who had done the work and to then make the grant claim to the Rhoda Thompson Trust
- New flower bed at the north end of the village: The work would be done soon.
- Double Yellow Lines: The Clerk had received confirmation of the process from Cumbria County Council and a meeting had taken place on site between representatives of the Parish and the County Councils. It was expected that the next South Lakeland Local Committee meeting on 19 July would be asked to approve the allocation of funds and once that approval has taken place the Traffic Regulation Order process can begin.
- Grievegate milestone plaque: The Clerk reported that the design and draft wording for the plaque had been agreed and the quoted price was £304 plus VAT. Leasgill Quarry Trust had approved a grant of £300 last October. Approval of the design and wording was awaited from the Levens Estate.
- Monument: The work would be done before the October meeting.
- Speed Indication Device: A decision was deferred until the September meeting.

87/18 B4RN

Cllr. Richards reported that he was waiting for route feedback. It was agreed to form a working group and Cllrs. Rendell and Grindey offered to participate. Concern was expressed that we appeared to be a long way from raising the requisite funds.

88/18 Street Lighting

The Clerk reported that a quote of £8005 plus VAT had been received for replacing some of the wooden poles with steel columns and fitting LED lights to all the street lights. SLDC had agreed to transfer their 1 light free of charge and a reply was awaited from Electricity North West with regard to their charges for taking lights off the wooden poles and connecting them onto the steel columns. It was hoped to do the work and transfer the energy and maintenance costs by 1 October 2018.

- b. District Cllr. Holmes reported that SLDC were looking at cost cutting and the Clerk drew attention to a report that paper copies of planning applications were no longer to be available as considerable savings were involved.

90/18 Planning

SL/2018/0032 Land opposite Brant House, Woodhouse Lane, Heversham

It was noted with concern that still no reply had been received from SLDC to the letter from the Clerk on 9 April 2018 querying why the Neighbourhood Plan had apparently been ignored in arriving at the decision to approve the application.

Resolved that **no objection** be made to the following planning application which had been submitted to SLDC and circulated to the members of the Council since the last meeting:

SL/2018/0529 West Cottage, Leasgill

Conversion of unused first floor area to create ancillary domestic accommodation

The email forwarded to Cllrs. on 12 July 2018 with regard to a proposed residential development at Woodhouse Farm was discussed. It was agreed that the Clerk should reply to say that the Council viewed the principle of development positively and would in general be in support but would encourage the proposal more if it included affordable housing.

It was reported that the Diocese of Carlisle were considering disposal of the school site. St. Peter's PCC had requested that the Diocese consider a payback to the community but the Diocese had stated that they would need to obtain maximum value for the site. They had however agreed that the PCC and the Parish Council would be kept informed and the Council agreed that they would work with the PCC to seek a payback/legacy from the Diocese.

- c) Church and Community Planning Group: Cllrs. Bland and Richards reported that there was to be a village service with an invitation to all villagers and ex-service personnel. A grant application had been made by the Parish Council for 10 silhouettes with a further 7 to be funded by donations to the PCC and it was envisaged that the 17 silhouettes would be placed on pews in the Church with a further one to be placed on the wall by the war memorial.
